Dear Mr. Brown:

I understand that you have been in touch with my Correspondence Assistant, Michael Hauser as well as David Reville's office regarding the response you received from me on March 21, 1988 concerning the environmentally sensitive. I am very sorry to hear that you are unhappy with the response you received.

Might I suggest that you write to me again and specify the type of help that you would like to receive from us. This would aid me in determining the appropriate actions that could be taken to assist you. I would also share this information with our Health critic, David Reville, so that he could also be of assistance.

Thank you again for expressing your concerns and I look forward to hearing from you again in this regard.

Yours sincerely,
